## Building Information

---

### Introduction

A new facility based in the heart of Derry/Londonderry available for meetings and gatherings of 2 to 112 people. We offer a welcoming, accessible, affordable and multi-functional space, fully accessible for all.

The building is the base for the DiverseCity Community Partnership consisting of partner groups and tenants using shared office space. The partnership and tenants are like-minded groups servicing communities and delivering positive change in the city and beyond.

---

### Key Features

The Building has a built in loop system in all meeting spaces and a portable loop system. Instructions on how to avail of this is within the Housekeeping Guidelines.

There is state of the art AV equipment in all rooms, large TV's for use with presentations, video conferencing (available on request to the Centre Co-ordinator) and to show videos.

A portable stage, 3m x 3m is available for conferences, performances, networking events and launch events. (remove reference to photograph as this photo was removed)

Suite of 8 MacBook Pro's for use in training workshops available on request to the Centre Co-ordinator.

Free WiFi throughout the premises.
